August 28 Member Cookout and Semi-Annual Business Meeting, Maryville, TN

A member cookout and semi-annual business meeting was held at the Franklin Pavilion, Hwy 411, Maryville, TN on Saturday, August 28. Luscious hamburgers and hot dogs were grilled by president, Ken Wade. Members contributed salads, fresh veggies, stir-frys, and desserts. Derek Dieterich brought his famous smoked pork barbecue. After stuffing ourselves a short business meeting was held to plan the remainder of the Fall 2010 events. Topics covered at the business meeting was 1) the renewal agreement with Dick Kinzalow and Hale Bopp Hunt Club dated August 15, 2010 and August 15, 2011 for ETRC training grounds. 2) The front gate lock combination at the Kinzalow Farm has been changed. An officer or director must open the gate and be present on the grounds during ETRC member training. 3) ETRC has complied with a directive from AKC to file non-profit organization federal tax returns for the past four years 2006 to 2009. Roberta compiled the club receipts and expenses using Quickbooks accounting software and help from treasurer Chuck Atchley's excellent records. ETRC has been classified as a 501© (7) social amateur hunting club and must file a 990 tax form each year to not be liable for income tax when our annual receipts are over \$25,000. Purchase of new updated 2010 Quickbooks accounting software was approved by members to keep up with new tax laws. 4) Ken Wade, president, and Brent McCoy, director, have volunteered to open the combination gate lock for any members that want to train on the Kinzalow Farm on a training day when no other officer or director is attending the training session. Brent lives in Spring City where the Kinzalow Farm is located. His phone number is (423) 240-8023. Ken Wade's number is (865) 982-9992.

KINZALOW FARM AGREEMENT—August 15, 2010 to August 15, 2011

Per conversations in August with farm owner Dick Kinzalow and Larry Smith, president of the Hale Bopp Hunt Club the following was agreed. Mr. Kinzalow has no problem with renewing the agreement until August 15, 2011. He advises that the cattle owner/lessor is responsible for mowing the hay fields. There is a rental tenant in the apartment at the main house and asks that ETRC be sensitive to his occupancy. Larry Smith asks only that ETRC hold the loud shooting down during Tennessee hunting seasons so as not to disturb the wild geese, ducks, and deer on the farm. ETRC cannot use the back pond except between May 15 and August 15. Front pond and adjacent two fields year round use.
